

2026 Student Catalog Revisions

Revised December 1, 2025

Effective Date	Revision	Document Affected (if applicable):
01/01/2026	The following is a revision to the LearnMore Malpractice Insurance Policy: Malpractice Insurance Policy Effective January 1, 2026, all new and continuing students enrolled in LearnMore programs are required to independently obtain and maintain individual Malpractice (Professional Liability) Insurance for the duration of their enrollment. This requirement is intended to ensure continued protection for students, LearnMore, and affiliated educational and clinical training sites. Coverage Requirement Student malpractice insurance must meet the following minimum criteria: — Active coverage for the full duration of the student's enrollment — Coverage applicable to the student's specific field of study and training activities — Coverage that includes LearnMore educational settings and affiliated clinical training environments Proof of Insurance Students must submit proof of malpractice insurance prior to the program start date or by a deadline established by LearnMore. Proof of coverage must include the student's legal name, policy number, coverage period, and the name of the insurance provider. Failure to submit acceptable proof of insurance may result in delayed program participation, suspension from training activities, or administrative withdrawal from the program. Student Responsibility Students are solely responsible for selecting, purchasing, and maintaining their malpractice insurance coverage. LearnMore does not receive compensation from any insurance provider and does not endorse any specific insurer, except to provide general informational guidance upon request.	Student Catalog, Page 39
